PROJECT

Sisi Kreatif

Brand Identity & Website Design

Defining the core challenges and objectives that shaped the strategy and design direction for Sisi Kreatif.

THE PROBLEM

What We Needed to Solve

Lack of Distinct Brand Identity

The brand lacked a strong visual identity that could differentiate it in a competitive creative industry.

Unclear Positioning

The brand's value and expertise were not communicated clearly, making it harder to build trust with potential clients.

Outdated Digital Presence

The existing online presence did not reflect the brand's professionalism and modern approach.

THE GOAL

What We Aim to Achieve

Build a Strong Brand Identity

Create a modern, memorable, and professional identity that represents creativity, strategy, and trust.

Clarify Positioning

Communicate the brand's expertise and unique value proposition to attract the right audience.

Establish a Modern Presence

Design a professional website and digital assets that elevate credibility and support business growth.

PROJECT

Sisi Kreatif

Brand Identity & Website Design

Research and inspiration process to understand the industry landscape, identify opportunities, and define the visual direction.

01. MOODBOARD

02. COMPETITOR ANALYSIS

BRAND	POSITIONING	CORE STRENGTH	MARKET OPPORTUNITY
Ramotion	Premium Digital Branding and Product Design	Strong brand identity systems, modern UI/UX, trusted by global startups	Greater focus on enterprise and funded startups creates room for more accessible services for SMEs
clay	Product Design and Brand Experience	Exceptional visual storytelling, motion design, and digital product execution	High-end positioning may be less accessible for smaller businesses
C	UI/UX & Digital Product Agency	Comprehensive digital services, strong web and product design portfolio	Brand identity offerings are not the primary differentiator compared to UI/UX expertise
SISI KREATIF	Creative Design & AI Studio	Combines brand strategy, visual identity, website design, and AI-powered creative workflows	Positioned to help growing businesses in Asia with faster, scalable creative solutions

PROJECT

Logo Development

Refining the selected concept into a scalable, memorable, and strategically meaningful brand identity.

01. FROM SKETCH TO FINAL LOGO

02. LOGO CONSTRUCTION

Design Logic

- Perspective**
Melambungkan visi ke depan dan cara berpikir yang visioner.
- Creative Frame**
Frame terbuka merepresentasikan ruang kreativitas, media digital, dan branding.
- Dynamic Geometry**
Sudut 45° memberikan kesan modern, presisi, dan profesional.
- Forward Movement**
Bentuk diagonal mengarahkan pandangan ke depan sebagai simbol pertumbuhan.

03. SYMBOL MEANING

- Perspective**
Visual depth dan strategic thinking.
- Creative Frame**
Frame sebagai ruang ide dan identitas.
- Open Geometry**
Melambungkan fleksibilitas dan inovasi.
- Continuous Growth**
Komposisi terbuka menunjukkan perkembangan yang berkelanjutan.

09. KEY INSIGHT

“The final identity evolved from Concept B after dozens of sketch iterations. Rather than relying solely on the letterform, the symbol combines perspective, open framing, and geometric precision to express creativity, strategic thinking, and continuous growth. Every angle, proportion, and negative space was intentionally refined to create a memorable and scalable identity for Sisi Kreatif.”
